

GREAT BASIN GOLD LTD ENVIRONMENTAL POLICY

We are committed to standards of excellence in our environmental practices. We will meet all legal requirements applicable to our activity. Where feasible, we will exceed the legal requirements. Where there are no applicable legal standards, we will apply responsible practices. To this end, we expect our employees, consultants and contractors to (1) comply with applicable environmental requirements, (2) seek guidance when they are unsure of the standards, (3) consider what extra steps we may follow to enhance our environmental performance, and (4) report violations or suspected violations to the appropriate persons.

Signed at Sandton, South Africa on August 11, 2009.
